COMPILATION NOTES & METHODOLOGY: 1. Basis of Accounting: Financial schedules prepared strictly in conformity with GAAP accrual standards. 2. Revenue Recognition: Rent billed per active leases; collections reconciled via FIFO allocation algorithm. 3. Capital Reserves: Statutory 3.0% reserve allocated for mechanical and structural asset lifecycle replacement.	AUDITOR CERTIFICATION: I have examined the operating schedule of operations above. In my opinion, the statement fairly represents property performance in all material respects. Chief Financial Officer / Lead Auditor, CPA #10948
